

Social Work (SCWK)

SCWK 5215 Military/Veterans 2 SCH (2-0)

This applied seminar requires students to critically assess and apply clinical intervention strategies focused on the alleviating stress associated with military service and veteran status. Aspects of the military culture essential to know in order to be able to develop a strong therapeutic relationship are presented. Crisis intervention, CBT and other appropriate therapies will be used to address issues of wartime deployment, economic issues, relocation related stress, PTSD, ethnicity, social class, gender orientation, family violence and substance abuse. A rurality paradigm and experiential learning is used to enhance cultural competent practice principles. Students must complete this course with a 3.2 GPA or better.

SCWK 5220 "Rurality" Social Work 2 SCH (2-0)

Clinical/Activist Social Workers are prepared for competent practice with the diverse families, groups, organizations, and communities in rural South Texas. Students learn to conceptualize and apply the "Rurality" paradigm to emphasize a way of life that serves to build resiliencies based on spiritual, familial and/or community systems. A GPA of 3.2 is required in order to proceed to the next sequence of required courses.

SCWK 5225 Intervention with Elders 2 SCH (2-0)

In this applied seminar a holistic spiritual life cycle and other developmental theories informing clinical practice with aging populations are presented. Students apply culturally competent methods for interviewing, assessing, diagnosing and intervening with older people, their families, and their informal networks through lectures, case studies/analysis, DSM V, and field research. Emphasis will be on the Mexican heritage elder and their family and the potential for misdiagnosis using the DSM V. A rurality paradigm and experiential learning is used to enhance cultural competent practice principles. Students must complete this course with a 3.2 GPA or better.

SCWK 5230 Leadership & Supervision 2 SCH (2-0)

This applied seminar uses experiential learning and requires students to apply theories and skills necessary for leadership in community agencies and the issues encountered in supervisory roles. A rurality paradigm is used to enhance cultural competent practice principles with agencies serving the Mexican heritage and rural population of South Texas border environments. Students must complete this course with a 3.2 GPA or better.

SCWK 5235 Economic Policy & Development 2 SCH (2-0)

Students will apply knowledge and skills necessary for planning, developing and evaluation of sustainable programs. This course uses economic policy to stress the importance of understanding how the economy affects development and provision of social services. A rurality paradigm and experiential learning is used to enhance cultural competent practice principles. Students must complete this course with a 3.2 GPA or better.

SCWK 5240 Integrated Field Project 2 SCH (2-0)

The experiential format of this applied seminar focuses on application of critical thinking to the development of a case study using experiences, knowledge, attitudes and skills from field practicum to systematically plan and evaluate interpersonal practice and/or programs for the purpose of informing clinical and programmatic decision-making. Builds upon the foundation research, human behavior, and practice courses, and examines evidence-based methods for conducting assessments; identifying and implementing evidence-based interventions; and measuring and monitoring outcomes for clinical practice and program evaluation. A rurality paradigm and experiential learning is used to enhance cultural competent practice principles. Students must complete this course with a 3.2 GPA or better. Co-requisite: SCWK 5385.
