

Non-accredited High School, Home School, and GED Students

Students who attended a non-accredited high school or home school and those who received a GED may be admitted by scoring a minimum of 1550 on the old SAT (including the writing component), by meeting the new SAT College Readiness Benchmarks of the ERW 480 and Math 530 or by meeting the College Readiness Benchmarks on the ACT Assessment. Students who earned a GED must also submit their GED certificate of completion.
