

Graduation with Honors

(For Undergraduate Degrees Only)

A grade point average of 3.8 is the minimum for graduation meriting Summa Cum Laude (with highest honors); a grade point average of 3.6 or higher but less than 3.8 will merit Magna Cum Laude (with high honors); an average of 3.4 or higher but less than 3.6 will merit graduation Cum Laude (with honors). *Grade point averages are not rounded up to achieve these figures.*

Students who have transferred work from other colleges or universities are eligible for graduation with honors provided they have completed at least 45 semester hours of work toward their degrees at this university. Only the record at this university will be used to determine eligibility for graduation with honors.
